

DEPARTMENT OF OHIO
SONS OF UNION VETERANS OF THE CIVIL WAR
2015 ENCAMPMENT MEETING
OFFICER REPORTS
AND
CAMP REPORTS

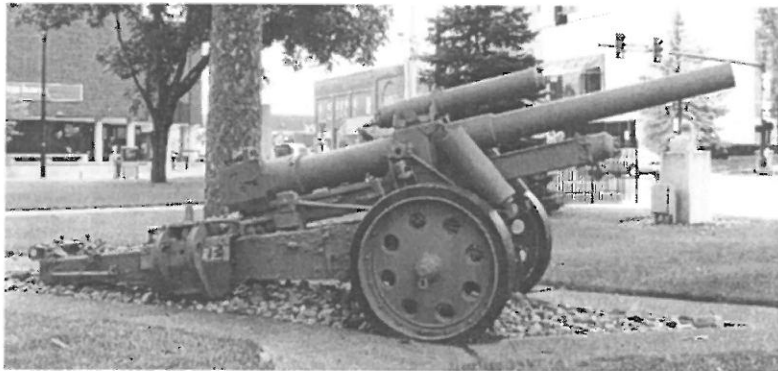

DEPARTMENT COMMANDER TIM GRAHAM

My thanks to all the Brothers of the Department of Ohio for their continued support.

July 19, I had the honor to participate in the Annual Buffington Island Ceremony commemorating the battle to capture Morgan's Raiders.

On the return trip, I stopped in Cambridge for bakery, as requested by higher authority. I examined the local GAR monument and it seems to be in good condition. However, the German 15cm sFH WWII howitzer needs some attention.

July 20, I, as a member of the Ohio Navel Brigade and SUVCW Camp No. 142, enjoyed the annual encampment at Lawnfield, home of President James A. Garfield.

July 26, represented the order at 'History Under the Stars' held in Mayfield Village. This is an annual Civil War history event.

August 14 through 17, I represented the Department of Ohio at the National Encampment held in Marietta, Ga. Rode down and back with Cindy Zerkowski National President of the Womens Relief Corps. We regaled each other with anecdotes about our respective orders. She was annoyed about my slow driving and bad puns.

Our beloved Commander in Chief, Ken L. Freshley comported himself quite well. Don Martin PDC was elected Jr. Vice Commander in Chief.

August 23, 24 I along with the Garfield Camp No.142 participated in the 3rd Annual Civil War Encampment held at the Ohio Veterans Home, Sandusky. I enjoyed the Tea put out by the Ladies of the Grand Army of the Republic. This facility has space that would be perfect as a Department or National Headquarters and Museum. I know that a huge SV/SUV collection would be donated to a permanently established museum.

September 13, the Ohio Naval Brigade SVR led the parade in the annual Blockhouse Day living history held at Lorain County Metro Parks. The Blockhouse is similar to one built in the vicinity during the War of 1812. Nothing historical happened there, but you promote the Order where ever you can.

September 27, The Garfield Camp N0142 and the Ohio Naval Brigade participated in a grave marking and dedication at the LaGrange Cemetery in Lagrange OH. The Town of LaGrange took it upon itself to locate and mark about six ACW veterans' graves.

October 4th, I participated in Central region Association of the Allied Orders of the GAR. The Website www.grantcamp.org/publichtml/centralregionassoc.htm, will eventually provide the details of this meeting. All department officers should attend this meet for the networking alone. This is the only place to meet the "ladies" and get to know them.

October 11, the ONB and the Garfield Camp set up a recruiting camp in front of the Grange Hall in LaGrange (what again). This was a 'meet and greet' that promoted the Camp and the LaGrange Historical Society. Working with historical societies is one of the best methods to recruit. A new member was recruited and I was able to schmooze the senior Vice of the Daughters of the Union Veterans. She is also very active in the DAR. More on this, later.

October 27th, I attended a meeting of the Jacob Parrot Camp No.33, held in the GAR room, Hardin County Court House, on the Square in Kenton and swore in a new brother. This building is perfect for an encampment.

November 1st, Did a twofer installation at Camps Pvt. Valentine Keller No. 8 and General William H. Lytle No.10.

The Lytle Camp meeting was a large Turn-out at Jim Houston's home and which included lunch.

I have been renting cars for these trips so my daughter has a car for her weekend job. Of course it would be cheaper to pay her what the job pays and not rent an car. But it is the principle of the thing.

November 8th, I installed officers of the William T. Sherman Camp No. 93 at the VA Historical Center in Dayton.

November 11th Participated in the Veterans Day event at the Ohio Veterans Childrens Home in Xenia. I was with Cindy Zerkowski. National President, Womens Relief Corps.

The WRC created the Soldiers and Sailors Orphan Home. November 23rd, Participated in the Remembrance Day Rededication ceremony at the Old Greencastle Cemetery for GAR graves in Dayton.

The above were events involved Past Department Commander Fred Lynch; whom I am sure, will have more to say about them in the Bugle.

December 13th was the annual Meeting and Luncheon of the James A. Garfield Camp #142, where yours truly install the officers and initiated two new members.

January 6th the incoming officers of the Alvin Voris Camp No. 67 were installed without incident.

January 10th I presided over the Mid-Winter Encampment at the Harden County Court House in Kenton. Turnout was better than expected and the brothers were impressed with the facility. Of course the meeting was informational and no business was transacted.

January 11th the Officers of the Phillip Triem Camp No.43 were installed. The Camp was informed that in order to retain possession of the 3" Ordinance Rifle tube they need to provide some paper work: chain of custody with inventory notation and a hold harmless. They have been encouraged to become SVR. I have these documents in my possession and they will be given to the department secretary at the encampment.

January 20th the Officers of the Henry Casey Camp No. 92 were installed.

March 28th Promoted the order at the Cleveland Public Library's Civil War Program.

April 12th I participated in the SUVCW funeral ceremony for Senior PCinC Richard Greenwalt.

April 25th Because of a prior commitment I was unable to participate in the Loyal Legion's Lincoln in Cleveland events.

May 17th Joined the Mustering Out Ceremony at the Ohio State House with Fred Lynch PDC, Members of the Sherman Camp and other GAR hangers on.

May 25, Represented the Department and the Garfield Camp at the Annual Memorial Day Ceremony held at President James A. Garfield's tomb. There were many Veterans groups present.

May 30, I participated in the Traditional Memorial Day program held at the Cuyahoga County Veterans Memorial on Public Square in downtown Cleveland.

The only ongoing business is the disposition of the GAR 3 inch Ordinance Rifle in the possession of Triem Camp 43, which has been leased to the 19th Ohio Light Artillery. Copies of all the relevant documents noted above have been received and will be turned over to

the Department Secretary. Members of Council may peruse them. I have seen the tube and it is correctly mounted and being promoted at educational and historical events. I do not see any need for further action here.

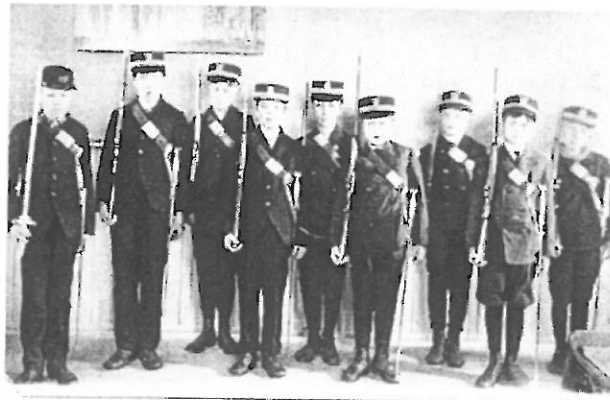

Because of the potential threats to one in my exalted position, I have hired a heavily armed security detail. However, I am still vulnerable after bed time.

Respectively Submitted:

Tim Graham

DEPARTMENT GAR RECORDS OFFICER REPORT – R. A. Davis, PCC

1. A small handful of enquiries seeking information related to the Grand Army of the Republic (acronym: GAR), and members thereof, have been received during the 2014-2015 year. Although I did answer questions as to the whereabouts of records of GAR Posts and as to which Post a given ancestor belonged, not all enquiries actually involved the GAR directly. In addition, the usual seeking for information about military service of relatives or about their graves continued to trickle into the hopper.
2. Also I have been updating and adding information to the list of data on Ohio GAR Posts initiated by Br. Charles Reeves, PDC, the original GAR-Records Officer of the Department of Ohio, ----- for posting to the SUVCW National WEB-site: <http://www.suvcw.org/garrecords/garcat/garcatalog.htm>
3. Original records of GAR posts seem to come onto the market with some frequency. One could make the case that such GAR property now belongs to their heir, the SUVCW. However, apparently the SUVCW have decided not to pursue such potential legal claims. Moreover, the SUVCW have no money with which to “purchase” such records. I urge that the Department of Ohio recommend to the National Organization that the SUVCW develop a procedure and funding that effectively encourages and facilitates the preservation of such original GAR records in bona fide museums.

Some of the enquiries I have received ask whether “Joe Doakes”, for example, was a member of the GAR, and, if so, of what Post and where. Apparently such information is not available in an easily accessible form. For example, the organization formerly known as the Ohio Historical Society has original records of many Ohio GAR Posts, but the only way to link a particular individual with a particular Post, and vice versa, would be to go through the records manually and individually. Likewise, the widely scattered lists of the members of GAR posts that have been published, for example, in the hundreds of county histories produced throughout the country late in the Nineteenth Century.

I urge that the Department of Ohio recommend to the National Organization of the SUVCW that the National Organization create / sponsor the compilation of a cross-indexed listing of GAR Posts and veterans who were members of the GAR and their military service. (Obviously, with a total of, perhaps, a million members over the decades the GAR existed, such a compilation would take many years and entail oh-so-many man-hours to complete!)

For those seeking information about GAR posts in southwestern Ohio:

In 1898, the National Encampment of the GAR convened in Cincinnati. In preparation for that convention, the following publication was produced:

Hamilton County Employment Association of the Soldiers, Sailors and Marines of the Late Rebellion, 1898, Roster of Members of the Combined G.A.R. posts, U.V.L. Encampments, Naval Veterans and Regimental Associations Located in Cincinnati, Ohio. Cincinnati: Cohen & Co., printers.

This work gives information on 20 GAR posts in the Cincinnati area, including: meeting times and places, officers, trustees, committee members, past commanders, and lists of members of each post, the company and regiment of each member, and the address of each member. Unfortunately, the publication does not contain a comprehensive index of the veterans by name, so, to find to which post a given member belonged, it is necessary to go through the tabulation for each post individually. As a start: Here is a list of the posts included, in order by GAR Post-number:

George H. Thomas Post, G.A.R., No. 13. ----- 283 members;

E. F. Noyes – R. L. McCook Post, G.A.R., No. 30. ----- 70 (+ 7 assoc.) members;

Wm. H. Lytle Post, G.A.R., No. 47. ----- 322 members;

The Cincinnati Post, G.A.R., No. 67. ----- 35 members;
 Israel Ludlow Post, G.A.R., No. 76. ----- 111 members;
 George B. Whitcomb Post, G.A.R., No. 139. ----- 41 members;
 Wm. Nelson Post, G.A.R., No. 186. ----- 114 members;
 August Willich Post, G.A.R., No. 195. ----- 83 members;
 H. B. Banning Post, G.A.R., No. 198, Madisonville, Ohio. ----- 21 members;
 R. M. Moore Post, G.A.R., No. 199. ----- 42 members;
 Commodore Foote Post, G.A.R., No. 200. ----- 74 members;
 John Campbell Post, G.A.R., No. 204, Harrison, Ohio ----- 110 members;
 Chas. S. Hayes Post, G.A.R., No. 224, Cleves, Ohio ----- 35 members;
 Jos. F. Trotter Post, G.A.R., No. 268. ----- 37 members;
 U. S. Grant Post, G.A.R., No. 340. ----- 55 members;
 Fred C. Jones Post, G.A.R., No. 401. ----- 161 members (including William C. Johnson, GAR Commander-in-Chief, 1898-1899, and E. R. Monfort, GAR Commander-in-Chief, 1915-1916);
 Fred Douglas Post, G.A.R., No. 517, Lockland, Ohio ----- 21 members;
 A. W. Graves Post, G.A.R., No. 563, Lockland, Ohio ----- 41 members;
 Col. R. G. Shaw Post, G.A.R., No. 580 ----- 67 members; and
 Hecker Post, G.A.R., No. 638. ----- 61 members.

DEPARTMENT GAR HIGHWAY OFFICER REPORT — Peter J. Hritsko, Jr., PCC

Respectfully submitting my 2015 report of activities as Grand Army of the Republic Highway Officer for the Department of Ohio.

I am reporting updates on the placement of GAR signs. I am continually working with each city official where Rt. 6 runs through to place GAR Route 6 signs up. I am proud to announce my resident City of Vermilion has replaced 2 signs one on each end of the city limits. As you see below.

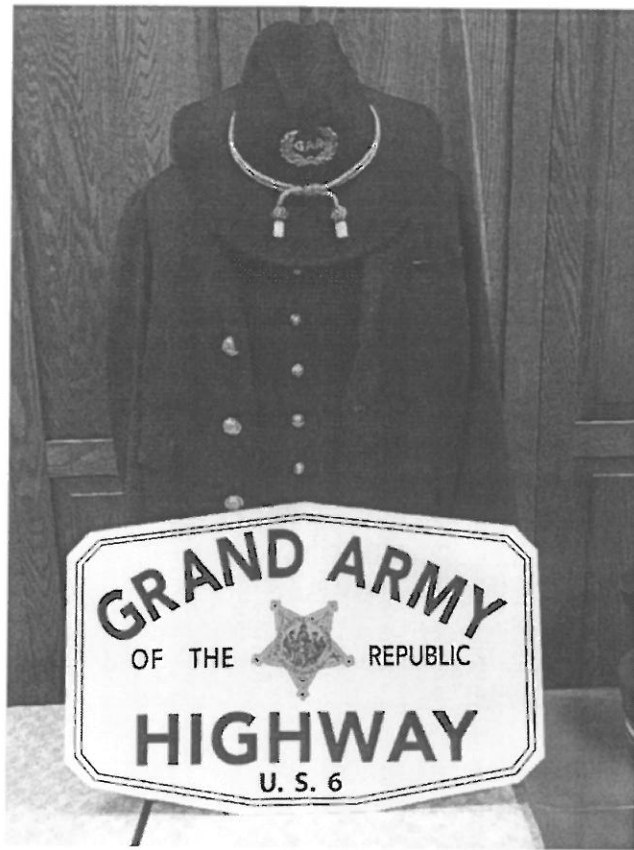

Enter the City of Vermilion from the West

Enter the City of Vermilion from the East

As Dept. of Ohio GAR Highway Officer I will continue to try to keep in contact with other State GAR Highway Officers keeping up with any progress of their state signs or monitoring the conditions of the ones that are up. Like I have mentioned before with the support of my camp the James A. Garfield Camp No. 142, I was able to find a local sign maker to make these GAR Highway signs at a reasonable price to sell them. The going price with a camp check is \$125.00 plus S/H. Without a camp check the

cost is \$150.00 plus S/H. The price is subject to change at any giving time when order new sign into our inventory due to the cost of material. I have sold 2 to the Department of New York in January 3, 2015.

Here is the new signs of the GAR Highway Rt. 6 with reflective vinyl/laminated/one side mounted with .080 gauge Aluminum 24"x 18" with white background black letters and a gold star with black print.

On Saturday, June 20, 2015, at 10:30 am at Century Park right on Lake Erie in the City of Lorain will be the dedication ceremony of the placement of 2 new signs begin placed on each side of the city. The City of Lorain had these signs made in their own sign department under my directions and will be installed by the city at their cost. Mayor Chase Ritenauer City of Lorain will be on hand with the dedication. It is my hopes that other cities will follow Vermilion and Lorain's decision of acknowledging the significant history of the GAR Highway. It is my hope that many Dept. of Ohio Camp's would attend this event showing to the public how many of us exist, Son's and Allied Orders making known our presence, supporting the cause.

I suggest that the Department of Ohio SUVCW look at the possibility of free advertisement by looking into Adopt-A-Highway with Ohio Department of Transportation. If you take on this 2 year commitment and 2 mile stretch of highway on both sides maintaining it 4 times a year they will place a sign up of what camp is taking care of it.

This opportunity allows me to continue my involvement and growth in an Order that means so much to me. My Great-Great Grandfather 1st Lt. Elijah Hayden Commander of Co. H 8th OVI may have lost his life in the Civil War commanding the skirmish line during Pickett's Charge July 3, 1863 but his interest to serve his country and perseverance is something I share. I would like to thank you for allowing me to continue my work for the interest of the Order as I always have.

DEPARTMENT HISTORIAN REPORT – Jonathan Davis, PDC

As Department Historian, I have strived to fulfill the purpose and activities for this job as found under the Job Descriptions for Camp and Department Officers as prepared by the National Committee on Program and Policy.

During this 2014 – 2015 season, I have continued to add information to the history notebook of Department activities that I attended or received during the year. Due to receiving no documentation on the Department of Ohio when taking the position of Historian back in 2008, items concerning the history of the department will be collected as time allows.

Camps that have conducted ceremonies honoring these veterans can copy and send items regarding their ceremonies to the Historian to include in this notebook.

We recently hosted the Appomattox Day Camp Bean Dinner. The camp's Memorial Day Service is scheduled later this month at the Meigs County Courthouse. As always, the bean dinner brings in active members along with potential members. At last year's Memorial Day Service, we had actor Michael E. Crutcher, Sr. who portrayed Fred Douglass and he was excellent. This year Keith Whaley will be speaking on the 75th Ohio Volunteer Infantry.

Camp officers other than myself, include Senior Vice Commander Frank Sisson, Junior Vice Commander Dale Colburn, Secretary-Treasurer Alan Holter and Chaplain and Patriotic Instructor Greg Michael. Brother Michael usually has a patriotic presentation. Unfortunately, we lost much loved Treasurer Jim Mourning earlier this year.

The Major Daniel McCook Circle #104 of the Ladies of the GAR meet at the same time and place and participate in activities with our camp.

We have camp members that belong to the Buffington Island Society and are working for plans on activities for the upcoming Morgan's Raid event in the county.

Camp members make repairs to headstones and other items in nearby cemeteries. Also, we conduct periodic inventories and inspections of cannons in Middleport and Huntington, W.V. Periodic inspections are made of the union soldier statue in Pomeroy, Ohio.

We publicize camp activities in the local newspaper, The Daily Sentinel in Pomeroy.

This concludes my annual report for the camp.

VIENNA CAMP No. 26

JACOB PARROTT CAMP No. 33 –James Finch, CC

Camp 33 memberships have grown by 21 new brothers in the last year. The latest roster has the camp at 65 brothers. We are sad to report the loss of brother Raymond Elsasser to cancer in April. PCC David Rish won the B. F. Stephenson Award for the third year in a row as top recruiter in the SUVCW with 15 new members. He will try for four with 19 new members this year. Brother Ron Marvin was appointed a National Aid with 6 new recruits. Three of our new recruits are boy scouts that are working on Eagle Scout Projects. One of our Eagle Scout Project brothers Nathaniel Meyers is working on the replacement of the GAR monument at the Kalida Cemetery in Putnam County. The old monument made of concrete has fallen into disrepair and he is trying to replace it with one made of granite.

Our major camp project is came to an end with the setting of the Roundhead Cemetery Cannon on a new concrete base. In October brother Ray Elsasser left his sick bed to bring his crane to set the 9000# cannon on its new base. This was the last job he worked on before his passing in April. He will be sadly missed. The camp continues to reset the civil war military tombstones as one of our projects. We have been to 6 cemeteries in Hardin County straitening and resetting stones in the last year.

Brothers Bradford Bailey and PCC David Rish traveled to Bluffton and Jenera to present Eagle Scout Awards in the last year. CC James Finch and PCC David Rish also went to the JROTC banquet at Kenton High School to present this year's JROTC Award to Kyra Collins.

Parrott Camp had the honor of hosting the Department Mid-Winter Meeting at Veterans Hall in the Hardin County. We had around 30 attend. We will also host the Departmental Encampment coming up on 13 June and we are hope for a good turnout. This is a great honor for our camp and we enjoy having you here.

One of our brothers, the Rev. Scott Johnson has taken up the cause in a project called Warriors First. They are in the process of obtaining from the City of Kenton a lease of France Lake. The lake is an old stone quarry that the city owns and uses for camping and fishing. Warriors First wants to put up cabins and a physical rehab center for veterans and their families as a place they can come for FREE to heal with their families. Parrott Camp is fully behind this project and anyone interested we will have information at the Encampment.

Memorial Day this year was very big for Parrott Camp. The Camp took the lead with Chairman Al Talbert and Vice Chairman PCC David Rish for the Parade Committee. The committee is in charge of all activities at the cemetery as well as the parade. PCC Vern Woodruff read Logan's Orders and layed a wreath along with brothers Ron Marvin and Lt. Col. Tom McBrayer. Brother Al Talbert was the MC of the event while PCC Dave Rish was lining up the parade. Camp 33 had a float as well as several members riding other floats and marching in the parade. This year's parade was different than normal, the Courthouse had its Centennial Celebration at the conclusion of the parade. So instead of starting

downtown and marching to the cemetery it was reversed. By starting at the cemetery and lining up the parade on Jacob Parrott Blvd. it allowed for the biggest ceremony at the cemetery in years. Brothers Talbert and PCC Rish were also on the Courthouse Centennial Committee. This allowed us to setup the Veterans Hall with our GAR ritual furniture to explain to the public about the GAR and SUV at the open house. We had a very good turnout.

Some of our brothers spent Memorial Day in other towns. Brother Doug Bowen was the guest speaker the ceremonies in Galion. CC James Finch played taps at the cemetery in Forest.

All in all it was a good year for Jacob Parrott Camp 33.

McCLELLAN CAMP No. 91 - Camp Secretary/Treasurer J. Gregory Hilton, PCC

To the Officers and Members of the Ohio Department;
Greetings;

It is my pleasure to submit the report for McClellan Camp #91 located in Alliance, Ohio. Although our membership is spread from coast to coast we attempt to continue the goals set forth by the GAR. We currently meet at the home of PCC Greg Hilton and just recently participated with our color guard at the Memorial Day Observance. We marched in uniform from downtown to the Alliance City Cemetery and then stood in honor during the city's annual memorial. Prior to the parade, the members of the Camp as well as our Auxiliary met for a potluck breakfast which was enjoyed by all. At our April meeting, we helped to fill fifty necessity bags for homeless veterans. We have been collecting magazines and books throughout the year to take to the various VA hospitals for the waiting rooms. Several members have also been saving their cancelled postage stamps to "purchase" time for kidney dialysis.

All local Brothers participated in the Sons ritualistic service as well as serving as an Honor Guard for our Past Commander-in-Chief Richard Greenwalt at his passing. We also traveled to West Virginia for his graveside services and fired the "final salute". McClellan Camp also provided two meals during the weekend for the family.

We have initiated three new members and had one transfer from Philip Triem Camp in Salem.

We have a full schedule planned for the rest of 2015.

CADOT-BLESSING CAMP No. 126

JAMES A. GARFIELD CAMP No. 142

GENERAL HENRY B. BANNING CAMP No. 207

NEW BUSINESS

PROPOSED BY-LAWS CHANGES

Proposal #1:

Article 3, Section 3, Paragraph 2 (excerpt). The Secretary-Treasurer shall have copies of the record of each Department meeting printed and distributed throughout the Department.

Recommendation: Delete the words "printed and."

Rationale: Current practice is to distribute all materials from Dept meetings (minutes, officer reports, etc.) via the Internet. PDF copies are posted on the Dept website and sent to all Dept officers/camps via email. Printing the reports costs money the Dept does not have.

Proposal #2:

Article 3, Section 3, Paragraph 6. The Department Junior Vice-Commander shall provide an annual roster of the Department members-at-large to the Secretary-Treasurer on or before November 1 of each year.

Recommendation: Delete entire paragraph.

Rationale: Dept JVC does not maintain a roster of MALs. The Secretary-Treasurer already maintains a MAL roster (IAW Art 3, Sec 3, para 2) and receives full Dept rosters based on the National database.

Proposal #3:

Article 4, Section 4. The Department Commander may suspend Camps that fail to file their required Annual Reports with the Department Secretary/Treasurer by April 30. An appropriate Department Order shall memorialize the suspension. Suspended Camps may be reinstated by the Department Commander after forwarding to the Department Secretary/Treasurer the required Reports, all monies due, and, additionally, upon the payment of a reinstatement fee in the sum of ten (\$10.00) dollars over the current reinstatement fee required by National. The Camp's reinstatement will then be memorialized by an appropriate Department Order. Delegates from suspended Camps may attend the Department Encampment but may not vote on any items of business. A suspended Camp that is not reinstated after one year will be dropped.

Recommendation: change "may" to "**shall**".

Rationale: The following change was made to the National C & R at the 2014 National Encampment,

Chapter I, Article VI, Section 4

Section 4(c). Any camp which fails to file the Form 22, Form 27, or EIN report by the dates specified herein **shall** have its charter automatically suspended. The Department Commander shall issue a Department Order noting the automatic suspension.

Proposal #4:

Article 4, Section 8: The Department Commander is authorized to spend up to \$100.00 per special occasion (i.e., flowers for funerals, cards, etc) without the approval of the Department or Department Council not to exceed the total amount budgeted for this purpose.

Recommendation: Amount being increased to **\$150.00** per special occasion.

Rationale: When looking at flowers arrangements for PCinC Greenwalt funeral, I found that adequate arrangements with delivery cost ran about \$129.00, the additional cost over this amount would not require a change to our By-Laws for a number of years.

Proposal #5:

Article 5, Section 1. The Department Secretary-Treasurer may receive reimbursement for personal expenses at the discretion of the Department Encampment by turning in reimbursement vouchers and/or receipts to the Department Council prior to the Department Encampment.

Recommendation: Delete entire paragraph.

Rationale: The Dept Secretary-Treasurer does not need special consideration for reimbursements, any more than any other Dept officer. The Dept Encampment already includes the cost of office supplies, postage, etc., in the annual budget. The Dept Secretary-Treasurer keeps the Dept check book and debit card and can purchase necessary supplies.

Proposal #6:

Article 6, Section 1, Paragraph 2. The budget may include an appropriation for the reimbursement of the Department Secretary-Treasurer's personal expenses.

Recommendation: Delete entire paragraph.

Rationale: Unnecessary. Any administrative costs can already be covered by paragraphs 1 and 3 of the same article and section.

Proposal #7:

^{NOT}
Article 13, Section 1. Any motion passed or officer recommendation accepted by the Annual Encampment or at a Special Meeting, which involve actions of the Department on an ongoing basis, shall be considered a standing rule. All standing rules shall be compiled from the Annual Encampment Proceedings and Special Meeting minutes into one volume. Each standing rule shall be dated for reference to the Annual Encampment or Special Meeting at which it was passed. The compilation of the standing rules shall be a function of the Department Secretary. The standing rules shall be reviewed each year at the Annual Encampment for continuation, elimination, or inclusion in the By-Laws.

Recommendation: Delete entire paragraph.

^{1ST} NOT HOUSTON 2ND
R. DAVIS PASSED

Rationale: Dept. records contain no volume of "standing rules." As far as the secretary-treasurer can determine, this has never been done. In addition, no such "standing rules" have been reviewed by the Annual Encampment.

Proposal #8:

✓ Renumber all articles, sections, and paragraphs that have been affected by the adoption of any amendment.

Subject: Request for Restoration of Rank

Commander Graham,

Brother Jim Crane, formerly with the Valentin Keller Camp # 8, transferred to the General William H. Lytle Camp # 10 effective 10 March 2015. He was familiar with the activities of the Lytle Camp and was acquainted with many members through his active participation in many events. Brother Crane immediately became a very active member of the Camp accepting the position of Guide for the remainder of the current term. We feel privileged to have him as a member of the Camp.

On 27 April, I received the attached letter from Brother Jim Crane asking that his rank as Past Camp Commander be restored. This request was unanimously approved by a vote of the Lytle Camp membership at the 12 May 2015 regular meeting.

Subject: Jim Crane re PCC

Larry,
Here is the opinion of Don Darby who is PCinC and past National Counselor.

1. In accordance with the C&R as amended by the National Encampment meeting at Reston, VA I believe that your answer can be found on page 30 of the 121 pages Chapter II Departments, Article II Membership, Section 1(a) footnote 1 through 8 with the answer most in item 8 of that Footnote.

The easiest way to get there is call up the C&R then go search "restoration of rank" that will locate the footnotes concerning. While not so much dealing with the wearing of the badge it does effect the restoration of rank which Jim will need to proceed up the chairs. Item 8 of that footnote requires Jim to ask Lytle Camp, in writing, for restoration of rank. The Camp will then vote, in regular session, as favorably or unfavorably. IF favorably, the request will be forwarded to the Department Commander. The Department Commander will review the request as to assure completeness and present it before the Department Encampment.

Here are the specific words:

8. Past Camp Commanders that desire to have a credential card to the Department Encampment and for whatever reason no longer qualify for voting credentials as a Past Camp Commander may apply for the restoration of rank through the process described in the Constitution and Regulations. A credentials card for a Department Encampment as a Past Camp Commander cannot be issued to him until the restoration of rank is approved. A Past Camp Commander that transfers from the Camp that he has commanded to another Camp may make request in writing to that Camp of which he has just joined for the restoration of his rank as a Past Camp Commander. If acted upon favorably by the Camp in regular session, said request shall be forwarded to the Department Commander, setting forth the causes of loss of rank, and reasons for request or restoration. The Department Commander shall examine the request to assure completeness and if in order shall present said request to the Department

So. I suggest you get Jim to send to you a letter of request for restoration of rank as a Past Camp Commander, then get the Camp to vote on this.

We can discuss by phone if need be. It is best to follow this procedure especially since Jim is considering running for Dept. Jr. Vice and needs to establish that he is a Past Camp Commander.

Jim

Commander Collins,

I write to you today to ask you and the Camp to accept my past service as a Camp Commander at the Valentin Keller Camp # 8. I worked hard while there and also served as the Department Secretary/Treasurer for a year and a half.

I held many positions while there, and felt as though I practiced our motto of Fraternity, Charity and Loyalty. I have served with Brother Houston as a member of the National Encampment Site Committee, of which now I am the Chairman. I try and serve in whatever capacity I am asked in the Son's.

I value character very highly, and would be thankful if the Lytle Camp would permit me to continue to wear the Past Camp Commander Badge. I am following the written procedure set forth by writing this letter to you as required. Thank you for your consideration.

Monument in the city of Geneva, Ohio on Saturday, May 19, 2012. It was a very important and special for us to participate in this event as this Soliders and Sailors Monument was originally dedicated by James A. Garfield, Benjamin Harrison and William McKinley on August 4, 1880. Our camp was named after James A. Garfield whom served as a Major General, served nine consecutive terms in the Ohio U.S. House of Representatives and served as our 20th President of the United States. - I wrote the Lorain County Recorder Office 3 letters of recommendation for giving our Garfield Camp records of all Lorain County Civil War Veterans and their burial location. The 2 other letters were to the President and Vice President of the LaGrange Historical Society for using \$15,000 of the money they received from Lorain County Waste Program to place head stones for 3 different cemeteries. These solders never had a tombstone, especially the 7 Civil War Veterans buried in Lorain County LaGrange, Ohio.

- Currently the Lorain County Chapter of Genealogical Society President going on six years and one year as Vice President, member since 2006. As Vice President I set up speakers for our monthly Chapter meetings.
- Member of the Lorain Historical Society
- Member of the Ohio Genealogical Society
- Devoted family man and active in the community.

I am asking for the opportunity to serve as your Sr. Vice Department of Ohio. This opportunity would allow me to continue my involvement and growth in an Order that means so much to me. My Great-Great Grandfather 1st Lt. Elijah Hayden Commander of Co. H 8th OVI may have lost his life in the Civil War commanding the skirmish line during Pickett's Charge July 3, 1863 but his interest to serve his country and perseverance is something I share. If you would allow me to assume this new responsibility I will work my hardest for the interest of the Order as I always have.

Thank you for your consideration.

Jonathan,

I called the hosting provider and got a better rate.

Hosting is \$6.99 / month x 36 months = \$251.64 – \$8.81 (prorate) = \$242.83

Domain Renewal is \$14.99 x 3yrs = \$44.97 - \$14.99(discount) = \$29.98

New Total = \$272.81 (savings of \$116.81)

Here was my recommendation at the 2009 encampment.

1. I also recommend that we offer webspace to the Camps for a very cheap price of \$25 a year (National charges \$60), If we get enough Camps to participate, it will cover the cost of the hosting, and they will be able to post their own pages to the server, where they cannot now.

There looks like that only the Dennison Camp was using it, but it has not been updated.

Ken,

As Council will need to approve this cost and they might (if they remember what this amount covers) ask questions, originally we set the cost to allow camps to "purchase" space as part of this allowable data available but I have not found where camps have ever done so.

I would think questions would be how much available space are we using currently, if any camps are taking advantage of this opportunity, and if not could we reduce this cost.

I do not have the numbers within my reach right now but I believe the cost below is about \$100 to \$125 more than it was three years ago.

I will wait on a reply before forwarding this to council.

Jonathan

Brothers,

I am running for the office of Junior Vice Commander-in-Chief at the 2015 National Encampment held in Richmond Virginia. I am a member of the U. S. Grant camp 368, in St. Louis Mo. I have been a member of the Sons for 34 years. I have held many different officer positions at the camp, department and national levels. I am asking for your support and vote for this position.

When I joined the Sons I joined as an Associate because I am not familiar with genealogy. In April 2014 a national officer took what little paper work I had on my family history and did the research for me. On April 22nd he contacted me and said I had to change my member status to a full member because he found a civil war ancestor for me.

I am retired after 41 years of service as a Captain on the fire department and in charge daily of 11 fire fighters and 3 engine houses.

I have more time to devote to the Sons because I am retired and will be available when I am needed. I will make sure the Sons progress as they have in the past and to seek new avenues to achieve that goal. Because of the many years I have served on and as committee chairman on national committees and 9 years on the Council of Administration, I feel I have gained more insight and knowledge of the goals of the Sons and the office of Junior Vice Commander-in-Chief.

I am asking for your personal support and Department support in electing me to the office of Junior Vice Commander-in-Chief of the SUVCW.

Distinguished Brothers of the Sons of Union Veterans of the Civil War.

GREETINGS from the U. S. Grant Camp #68 – St. Louis, who pray you consider our petition.

WHEREAS: Robert M. Petrovic, who for 30 years has served our organization as an associate, and has just recently verified an ancestor who served in the Union army, now finally in his 70's has achieved Member status and,

WHEREAS: Robert M. Petrovic has always placed the highest priority in supporting the organization, currently serves as Chairman of the SUVCW Charitable Foundation, Chairman of the Lincoln Tomb Observance and is in his 15th year as National Eagle Scout Coordinator; and

WHEREAS: Brother Petrovic has served the National organization in a number of other capacities, including election to three terms on the National Council of Administration, as well as Chairman of the Memorial Grant Committee, Chairman of the Ebay Surveillance Committee, Co-chairman of the Remembrance Day Committee and member of the National Encampment Site Committee and the Military Affairs Committee, and,

WHEREAS: Brother Petrovic has been equally active at Camp and Department levels, highlighted by his 10 years as Camp Secretary/Treasurer, 8 years as Department Secretary/Treasurer, Chairman of the Department Host Committee for both 2001 and 2007 National Encampments, and his election as the first Department Commander after the Department of Missouri was re-chartered in 1996; and,

WHEREAS: Brother Petrovic's sense of service extends to the Sons of Veterans Reserve, where he is a member of Co. A, 2nd Missouri Infantry and currently serves as National Chief of Staff, holding the rank of Colonel; and,

WHEREAS: Brother Petrovic has exemplified the spirit of Fraternity, by offering his insight and experience to other Departments hosting National Encampments; Charity, through offering of new products, services and gifts at his own expense for the betterment of the organization; and Loyalty through his impeccable record of attendance at Camp, Department and National meetings;

NOW, THEREFORE: at the 8 September 2014 meeting of the U. S. Grant Camp #68, Department of Missouri, the Camp passed this resolution of support for the election of Brother Petrovic to the office of Junior Vice Commander-in-Chief at the 134th National Encampment to be held in Richmond, Virginia from 20-23 August.

Brothers,

Please allow this letter to serve as an announcement of my candidacy for election to the office of Junior Vice Commander of the Department of Ohio, and to give you some of my background, and to solicit your endorsement.

I joined the SUVCW to honor my ancestors who fought and died in the civil war. Without the sacrifice of my great-great grandfather, Sgt. Thomas C. Crane, I would not be here today as he was killed in 1862 in Nashville. This is a great organization to honor all of our ancestors who served during that war.

I presently belong to the Gen. William Lytle Camp #10, having recently transferred from the Valentin Keller Camp #8 where I served in several positions including Camp Commander for two years. I am now acting as the Guide at the Lytle Camp.

I also currently hold the position of Chairman, National Encampment Site Selection Committee as an appointed National Officer. I had the pleasure of working with PDC Houston on this same Committee, until he retired as the Chairman. I have met some fine people along the way, and have enjoyed meeting a lot of you.

I am campaigning for this position as I feel I have worked hard in each capacity in which I held an office in the Son's. I offer you my continued hard work, experience in the positions I have held not only in the Son's, but also being in hotel management for 30 years. I have also learned a lot from our leadership throughout the years, taking stock of their vast knowledges.
