A few camps have been having trouble submitting reports by the deadlines set within the Constitution and Regulations of the Order. Voting of Officers can be made as early as October of each year with installations the following meeting of the camp.

Annual camp reports have been getting better but with the revised Form 27 some camps did have issues with two camps submitting their reports on the older forms. Two camps also had text issues possibility due to having an older version of adobe reader.

BUFFINGTON ISLAND REPRESENTATIVE REPORT

DEPARTMENT GENEALOGIST REPORT – Michael Spaulding, CC

Department Genealogist Mike Spaulding was appointed by Department Commander Shawn Cox via Department Order Number 4, dated 30 Sep 2015.

Activities:

Made a presentation at a meeting of the Montgomery Co. Chapter of the Ohio Genealogical Society. Attended several other meetings and distributed literature and talked to potential recruits.

Dugan: Verified and documented the Civil War ancestry of Patrick Dugan of Sherman Camp.

Lambert: Investigated the Civil War ancestry of Brian Lambert of Sherman Camp. Br. Lambert was interested in discovering the burial location of his Civil War ancestor, but I was unsuccessful in locating the grave.

Lynch: Investigated the Civil War ancestry of Fred Lynch of Sherman Camp. Disproved a previously proposed relationship to a Civil War veteran, and discovered and documented the lineage to the correct Civil War ancestor. In addition, a previously unknown direct Civil War ancestor and eight previously unknown collateral ancestors, one of whom died in service, were identified and documented.

Miller: Investigated the Civil War ancestry of Dan Miller, recent recruit of Sherman Camp. This ancestry was tangled due to the fact that the Civil War ancestor had multiple simultaneous families, one back home in Pennsylvania, and one he started after being hospitalized at the Dayton Home for Disabled Veterans.

Henry: Verified the Civil War ancestry of Frank Henry, recent recruit of Sherman Camp. In addition to documentation, I was able to locate photos of his Civil War ancestor.

Hedgecorth: Reviewed the proposed Civil War ancestry of Greg Hedgecorth, recent recruit of Sherman Camp. I discovered that Br. Hedgecorth had confused two different families. The proposed lineage back to the brother of a veteran was proven to be incorrect, and the correct lineage back to a Civil War soldier was discovered and fully documented.

Fanelli: Investigated the ancestry of Mike Fanelli, discovered and documented a Civil War ancestor. Tried unsuccessfully to recruit him into Sherman Camp.

SOCIAL MEDIA OFFICERS REPORT— Kerry Langdon, PCC

July 28, 2015 was the kickoff off the Dept. of Ohio, SUVCW Facebook Group and Facebook Page.

The Facebook Group currently has grown to 62 members and is getting regular activity and posts. The Facebook Page which is directed more to the “outside world” has 89 “Likes” which is double the number of “Likes” at the Mid Winter report. The most popular item posted on that page to date has been the article about a new headstone for a civil war soldier. There were 296 views of that item.

The plan is to continue growing the membership and usage of both the Group and Page. I am in the processing of emailing each member of the Dept. who has an email address and has not signed on yet encouraging them to try our Facebook group and offering assistance if they need it

A Pinterest page is in the works as well as a Twitter feed.

I am ably assisted by Sister Wanda Langdon of the Auxiliary.

VIENNA CAMP No. 26

JACOB PARROTT CAMP No. 33

TRIEM CAMP No. 43— Larry Synder, Secretary

Sons of Union Veterans, Camp #43 out of Salem, Ohio continues its resurgence in collaboration with the 19th Ohio Light Artillery re-enactment group.

We were busy finishing up the 2015 re-enactment season with events at both Gettysburg and Cedar Creek while also enjoying sharing our knowledge of the Civil War with both adults and children at such venues as the McKinley Museum Civil War Camp for Kids, the James A. Garfield NPS site, and the Porterville Steam Show.

During this off season for re-enacting we are collaborating with the Salem Historical Society to raise funds necessary to conserve the Trescott Post Banner. We have been awarded a SUV grant of \$500.00 when we reach the half way point. We already have a conservator in Cleveland lined up and have an estimate and are ready to go as soon as the money is raised.

In addition research has been completed on the 23rd Ohio Volunteer Infantry monument at Woodland Cemetery in Cleveland, Ohio. An application for a state historical marker has been approved by the city of Cleveland's City Council and OHC. We are now working on the exact wording for the marker itself. There are only so many words allowed and yet we want to make certain that the correct parts of the story are there. More details will be forthcoming at next year's Department of Ohio's meeting.

Camp #43 and the 19th OLA will be assisting Woodland Cemetery in Cleveland, Ohio in preparing for Memorial Day. One of our brothers will take part in the Woodland Cemetery fundraiser with Lolley the Trolley's Civil War Tour of Cleveland, when the tour arrives at Woodland Cemetery our brother will share with the folks the information about the 23rd OVI monument. Many of our members will be scrubbing headstones, raking leaves, pulling weeds, and placing flags on veteran's graves. There are many Civil War veterans buried at Woodland. Five members of the 19th OLA lie at rest there. Over 20 members of the 23rd OVI are buried there, and many more. An entire section is dedicated to the African-American soldier.

Our 2016 re-enactment season is filled and we started early participating in President William McKinley's birthday celebration on January 30, firing a birthday salute and doing living history. That will soon be followed on May 9, 13, and 16 with three school programs. At each school we see at least a hundred students rotate around 6-8 stations. One station of note deals with Flag Facts and Care and History of the Flag. The Brochure that is used comes from the SUVCW. May 14 we have a program scheduled at a local church. One of our brothers is doing a program entitled, "Finding God in the Civil War" and of course we will have items on display and a cannon to demonstrate and fire. Memorial Day weekend will find most of us at Painesville, Ohio for the opening re-enactment of the season. The very next day our group splits and we participate in two Memorial Day events. One event takes place again at Woodland Cemetery in Cleveland, Ohio. One crew and cannon will attend and at the close of the ceremony, after taps is played, the crew will fire the gun three times. The majority our group will go to Salem, Ohio and participate in the Memorial Day Parade, afterwards ending up in Grandview Cemetery in Salem, Ohio, where the guns will fire several rounds.

Finally in 2016 we welcomed a new member into our camp. Welcome Brother Jerry Potter!!

We are grateful for the opportunity to share a part of our nation's history. The story needs to be told again and again because people today don't know it.

 - Obtained the assistance of the Sheriff's Department, "Patriotic Pinups," Boy Scouts, and other friends of the Camp, and together have made this cemetery a place of dignity, by clearing brush, cutting grass, removing trash, marking soldiers' graves, and documenting the service of the 193 Civil War soldiers buried there.
 - Sherman Camp sponsored, helped plan, and provided material and financial support to an Eagle Scout project to replace three stones that were damaged and illegible with new government issued gravestones that the Scout acquired from the VA. With the active assistance of Sherman Camp members, the project team also straightened stones that had been uprooted by trees, cleared brush and undergrowth, hauled away trash, and 36 Scout and Camp workers ended up doing 216 service hours in the cemetery. Installing Officer – Officers, you have been selected to positions of great honor and trust. I trust that you appreciate the great confidence placed in you and that you remember that upon the manner in which you discharge the duties of your respective offices will depend very largely the success or failure of the administration of your Department.

Are you now willing to pledge solemnly to the faithful performance of your several duties?
(Your response is, "I am.")

Installing Officer – (Three raps * * *) You will each raise your right hand, place your left hand on the Bible, and repeat after me, using your name where I do mine:

Brothers,

Please allow this letter and the accompanied resume to serve as my announcement of my candidacy for election to the office of National Secretary for the order at our 2016 National Encampment in Springfield, Illinois. I respectfully ask for your support.

My lineage is based on the service of my 2nd great uncle, Private George Washington Davis, who served with the 174th Ohio Volunteer Infantry, Company G.

George Washington Davis enlisted into service at age 20 on 8 September 1864 at Camp Chase. He was wounded in a train accident on a trip from Decatur, Alabama in October, 1864 and spent much of his service in various hospitals. He mustered out of service on 28 June 1865 at Charlotte, North Carolina resettling in Belmont County but suffered from his accident the remainder of his life. He died 3 January 1910 at 66 years of age and is buried in Mt. Horeb Cemetery in Belmont County, Ohio.

As evident in my resume, I immediately became active within my camp being appointed Historian during the installation of camp officers at the beginning of the year and shortly thereafter actively participated in various department events being appointed to Department Historian and later seeking elected office at both the camp and department levels.

In the Department of Ohio I currently serve as Secretary-Treasurer, Historian and Chairman of the Department Encampment Site and Planning Committee. As a member of Governor William Dennison Camp No. 1, I serve as Secretary-Treasurer and Historian and in William McKinley Camp No. 21, I serve as Treasurer.

I have proficient computer knowledge proven through work experience in all Microsoft office products, adobe products, etc. and along with the titles I have held and in the capacity of service and the responsibilities thereof, I have been in a position to interact with national officers especially the National Secretary and the National Executive Director over the years and fully understand the responsibilities of this position I am seeking.

Thank you for your consideration.

In Fraternity, Charity and Loyalty,

Jonathan C. Davis, PDC

Greetings Brothers,

I write to request your support as I seek election to the office of Commander in Chief at the 135th National Encampment in Springfield, IL. I appreciate your vote of confidence and I have enjoyed the opportunity to serve as your Senior Vice Commander in Chief.

As the Sequential ends, we as an Order need to examine and decide what our future holds. We need to market our goals and work with the general public so we become a familiar face. The Promotions & Marketing and Vision & Planning committees are important to this end, but should not be the only source of a vision for our future. Brothers, Camps, and Departments need to share their ideas and the positive elements of the work they are completing in their respective areas. Here is where the real work of the Order is accomplished.

Recruitment needs to be a segment of all we do, but we need to focus on how we can attract young adults. Our message needs to be tailored in a way that attracts youth through the interests they have already. This can be difficult because as we become familiar with the technology they are using, they often have moved on. Perhaps our best messengers are the young Brothers in the Order.

The Last Veteran Project, Memorials, and grave preservation were areas of my initial interest in the Sons and we need to continue our work in these historic fields. Advertisement and public promotion of these endeavors is very important, not for our glory, but to attract interest in what we do. This interest helps with recruiting and provides us a network to assist with our future projects.

We need to continue good relations with the Allied Orders and expand our fraternal relationship with other Veteran Organizations as we honor not only the Boys in Blue but all Veterans. Working in conjunction with other Veterans groups shows a united front as we pursue issues of joint interest such as the problems with the Veterans Administration over grave markers. These organizations are another source of potential recruitment.

Patriotic instruction needs to be a vibrant part of the Order at each level. Memorial University as a component of this instruction is being revised. This great program should soon be redesigned and readily available for our Brothers as they seek to learn more about our Order.

We are working on solutions to issues the Sons face and I ask for your vote to allow me to continue this work and to represent you as Commander in Chief.

Yours In Fraternity, Charity & Loyalty,

135th National Encampment of the Sons of Union Veterans of the Civil War
In Session
Springfield, Illinois

Brothers,

I would like to thank all the brothers for allowing me the honor of serving this year as the Junior Vice Commander - in - Chief and too announce my intention to seek election as Senior Vice Commander-in-Chief during the 135th National Encampment.

For those who are unfamiliar with me. I offer the following as a way of introducing myself and to give you a chance learn something about me.

I am a Veteran. I retired from the United States Navy as a Master Chief Petty Officer in 1995, having served almost 24 years. Since 1995, I have been employed as a high school history teacher. During my tenure as a teacher I served on several American History standards committees for the Virginia Department of Education and acted as the History Department Chairman at my school. I have been an active member of the Sons of Union Veterans for about twelve years; first being a member of the Chamberlain Camp in Roanoke, VA and then transferring my membership to the Taylor-Wilson Camp #10 in Lynchburg, VA. I attended my first National Encampment in Harrisburg, PA in 2006 and became actively engaged in the work of the SUVCW shortly thereafter. I was elected to the position of Camp Commander in 2008 and began serving as an officer in the department of the Chesapeake in 2010. Over the last six years, I have served in the elected Camp and Department Offices, and I have served at the National level as Junior Vice Commander-in-Chief, as a member of the National Programs and Policies Committee, as member of the National Americanism Committee, and as the Chairman of the National Marketing and Promotions Committee. My role as Junior Vice Commander-in-Chief has brought me into contact with brothers throughout the organization and has allowed me an opportunity to gain valuable experience and insight on the issues and problems that our organization faces. Additionally my time in the role as a committee member on the Programs and Policies committee has allowed me to develop an understanding of the administrative policies and procedures that keep our organization functioning effectively and efficiently

I am committed to the success of the order and believe we must have leadership that is dedicated to the goals we have espoused; to promote the preservation of our ancestors sacrifice and educate the American Public on the unique role the Civil War played in American History . I am fully committed to The Boy's in Blue, their story, and the continued success of the SUVCW; fulfilling these goals has been my only focus since becoming a member and I look forward to continuing my efforts as your Senior Vice Commander-in-Chief.

I look forward to serving the brothers of the SUVCW and working with each of you to promote our causes the coming years.

Brothers,

This letter and the accompanying resume serve as the announcement of my candidacy for election to the National Council of Administration at the 2016 National Encampment in Springfield, Illinois

I trace my lineage through my 3rd great grandfather, William G. Stratton, who served as a Wagoneer, with the 19th Maine Volunteer Infantry, Company H, from July 31, 1862 until mustered out with his company on May 31, 1865.

I am currently serving as the National Chief of Staff and am a member of the National Encampment Site Committee. I have served on the National Committee on Programs and Policies. I have served in every elected position within the Department of the Chesapeake, recently completing a successful two year term as Department Secretary-Treasurer in April 2015. I have twice served as the National Encampment Host Committee Chairman, first in 2011 and most recently in 2015. I have served multiple terms as Camp Commander and Senior Vice Commander of the Irish Brigade Camp in Fredericksburg, VA and am a charter member of the same. I am also a charter member of the Col. James Crowther Camp in Tyrone, PA and am a dual member in the Department of Pennsylvania. I am active in the SVR, serving as Chief of Staff for the 2nd Military District and Commander of Company B, Potomac Guard.

I am a veteran and retired 18 years ago from the United States Marine Corps as a Master Sergeant after 20 years of service. I am currently employed as government contractor providing technical support for the Marine Corps acquisitions community.

My interest in the National organization began when I attended my first National Encampment in Harrisburg, PA in 2006. I was impressed with the way our Order was run and encouraged by the fraternity shared by all Brothers in attendance. I was hopeful that I would have the opportunity to serve at the National level ever since. It is now time to do so.

As evidenced by my resume, I believe my leadership and experience thus far within our Order combined with my professional and personal background will allow me to serve you well on the Council of Administration. I respectfully request your support.

CANDIDATE FOR COUNCIL OF ADMINISTRATION

December 4, 2015

Dear Brothers,

I respectfully seek your support, and vote, for election to the Council of Administration at the 135th National Encampment in Springfield, Ill. If elected, I will contribute to the position knowledge and experience gained during more than 45 years accomplishing administrative, budget, organizational development, and communication responsibilities.

Receiving the "2014 Cornelius F. Whitehouse Brother of the Year Award" recognized my history of SUVCW service. Similar dedication to the mission is reflected by my selection in 2013 as a *National Aide to the Commander-in-Chief* for recruiting eight members for the SUVCW that year. The *Buckeye Bugle*, of which I am editor, received the "2012 Marshall Hope Most Outstanding Department Newsletter Award."

From 2012-15, I served as the Department of Ohio representative on the *Governor's Advisory Committee for the Sesquicentennial of the Civil War*. Other service to the Order includes a year each as Department of Ohio commander, senior vice commander, and junior vice commander. I participated as a department delegate during the 2011 through 2015 national encampments, and plan to do so in 2016.

I am at present a member of the Department of Ohio Council, Encampment Site and Planning Committee, and, since 2011, editor of *The Buckeye Bugle* department newsletter.

I am an active member of Major General William T. Sherman Camp #93 in Dayton, Ohio currently serving as a member of the Camp council, and as public affairs and community liaison officer. In the past, served three terms as Camp commander plus three years as senior vice commander, newsletter editor, and two years as historian. My SUVCW membership lineage is based upon the service of my great granduncle, Private William H. Klaserner, who served 1861-64 with Battery H, 5th U.S. Artillery.

I'm a SUVCW Memorial University Officer Training Course graduate. Have a B.A. in English literature and history, a M.S. in systems management, and a master's degree in public administration. I proudly served 26 years as an officer in the U.S. Air Force.

I currently work as a writer and speaker concerning American Civil War history. My book reviews and articles have been published by magazines including SUVCW's *The Banner*, *Civil War Historian*, and *Aerospace Historian*, and on the *Ohio History Connection Civil War Sesquicentennial website*. As an active speaker, I frequently talk concerning the Civil War and GAR to community groups. In 2014 and 2015, I was a guest lecturer for the Univ. of Dayton Lifelong Learning Institute. Personal memberships include the Company of Military Historians, Civil War Trust, Ohio History Connection, Dayton History, Gettysburg Foundation, Ohio Valley Civil War Association., and the Lincoln Society of Dayton.

I earnestly request, and very much hope, you will support and vote to elect me to serve all camps and departments in the SUVCW as a member of the Council of Administration.

Brothers,

This letter will serve to announce my candidacy for election to the office of Junior Vice Commander in Chief for our Order. It will also respectfully ask you for your support.

Through the years, I have held most of the elective offices one can hold at the Camp level of the Order. I have also been privileged to hold many of the elective offices in a large and busy Department, as well as two years as Department Commander for the Department of Michigan. Further, I have worked on numerous special projects as relate to both the Camp and Department levels of the Order. I have also been privileged to serve in posts at the National level of the Order. I have, in the past, served as an Assistant National Counselor, National Counselor and National Chief of Staff. I have served for four years on the Council of Administration. In that capacity I have become well acquainted with the problems facing the Order on a national level. Most recently I have begun work as Chair of the Department Host Committee for the 2017 National Encampment.

Through all of my activities within our Order, I have learned much about how our Order works and how things get done within it. I have had the responsibility of working on sub-committees whose job it was to get tasks done and have had the responsibility of chairing a fact finding committee, whose investigations were later used to set policy for the Order. I have had the chance to travel to several Department Encampments over the years, where I have had the pleasure of working with some of the finest men I have known, members of our Order. **I have learned that the goal of the higher levels of the Sons really needs to be to support the Camps and the brothers in them, where the true work of the Order is done.** That is the perspective from which I would approach matters I would deal with if elected JVC in C.

My 22 years of work in the Sons, and especially these last years I have spent on Council, have also given me exposure to the questions and problems which presently face our organization. I believe that I can bring that experience, developed at all levels of the Order to this position and thereby help to promote what we as a group need to be all about. Specifically, supporting the camps in doing the true work of keeping green the memory of the soldiers and sailors of 1861 to 1865.

Yours in Fraternity, Charity and Loyalty,

Brothers,

May this epistle serve as my letter of intent to announce my candidacy for election to the office of National Treasurer for the order. With kindness and respect, I ask for your support.

As my Resume indicates, I have been very active in the SUVCW at the Camp and Department levels for several years. This past year I have had the honor to serve as National Assistant Treasurer and member of the Program and Policy Committee.

Many of you know me as the "Commander in the wheelchair." I must say that I am proud of that moniker. I think that this persona is one of a survivor. Despite all the things that have been thrown at me over the years, I have had the ability to overcome them. As such, I can say, with as much certainty as any of us can, that I have the abilities both in terms of technical competence, as well as health, to serve the Order proudly for the three year term of this position.

My home camp is the Major William A. Mc Teer Camp No. 39 in the Department of Tennessee. We were honored last year to have received both the Abraham Lincoln Commander-in-Chief's Award and the Horace Greeley Award. As Commander for the last two years, I am so proud of the growth in fellowship and work ethic we have been able to achieve. Hopefully, I can bring some of those leadership traits to the position of National Treasurer in the coming years.

I have been a Certified Public Accountant (CPA) in the state of Tennessee since 1983 and I have more than 30 years service as a Chief Financial Officer of large healthcare organizations. I trust that this experience will give me the technical knowledge to perform the duties of this job with excellence.

If given the opportunity to serve as your National Treasurer, I want each and every one of you to know that I will do the best job possible in a fair and responsible manner.

In Fraternity, Charity and Loyalty,

David H. McReynolds

Dear Brothers:

Contrary to the rumors which have arisen as a result of another Brother declaring his candidacy for the office of National Treasurer, I am seeking another term as the National Treasurer. I stated last fall that I would be running for re-election and that has not changed.

There are a few projects which I would like to complete before vacating this office. The most important being the completion of the change from a 501(c)4 organization to a 501(c)3. I have been battling the IRS over this change for the last five (5) years and we are nearing a final determination. The attorney we had engaged failed to perform the services for which we had contracted him, at my recommendation the Council of Administration terminated him as our attorney. I am now working with a senior partner of the firm which audits our books and she has submitted the application with all the details the IRS required over the past several years. We are awaiting a conference with the IRS to resolve any other issues they may have.

My record as National Treasurer is well known and stands on its own. From the time I first became National Treasurer until today, through judicious stewardship of the finances and investments of this Order the reserve funds have increased from less than \$20,000 to over \$1.2 million. We are now at the level that we are considered to be financially sound and able to obtain credit if need be. This was

not the case until recently. We still have not reached the level suggested by our auditors – a large enough reserve to cover the current level of expenses for three years without any income other than that from investments. Reaching this level is my second goal of another term.

It is a known fact that a few Brothers are dissatisfied with my performance as National Treasurer. Not anything to do with finances but because I do not find it incumbent upon me to “baby sit” them by repeatedly reminding them when reports are to be filed. They took the same oath of office and oath of membership that I did. It is their responsibility to know when they need to have various reports completed and submitted. I can assure you the IRS does not remind me when reports are to be submitted to them, nor do the various state agencies (41) which require quarterly, semi-annual, and/or annual reports or tax returns. The National Secretary sent a complete list of report dates to the departments and the dates are on our website but this does not seem sufficient to satisfy those who want to have their hand held. Why do they not add the dates to a calendar and set an alert so they know when they must submit the reports? Despite repeated e-mails there are reports which still have not been submitted.

CAMP COMMANDER'S REPORT
JACOB PARROTT CAMP 33 – KENTON, OHIO
SONS OF UNION VETERANS OF THE CIVIL WAR
Covering Camp Activities from January through June 2016

On January 9, 2016, four Brothers from Jacob Parrott Camp 33 attended the annual Department of Ohio Mid-Winter meeting in Dayton, Ohio. Those attending were Camp Commander Ronald Marvin, Camp Secretary/Treasurer Brad Bailey, David Rish (PCC), and Brother Raymond Petty. Following the meeting the Brothers took the opportunity to tour the nearby Miami Valley Military History Museum.

Each month during the current year Patriotic Instruction Officer Vern Woodruff (PCC) spoke on a variety of topics related to the Civil War. (January – Upcoming Civil War Programs and Activities, February – Civil War Activities on February 29, 1864, March – President Abraham Lincoln's First Inauguration, April – General George B. McClellan, May – Decoration Day) In Brother Woodruff's absence, Senior Vice-Commander Ronald Marvin, Jr. presented the instruction.

Throughout the current year, Brother David Rish (PCC) has continued to recruit new members with the goal of receiving the B. F. Stevenson Award for the fifth consecutive year. He has strongly encouraged other Brothers to try to recruit at least one new member each to further grow our Camp. During this six month period the Camp has investigated and approved at least twelve new Brothers.

Camp Commander Ronald Marvin presented a program about Wyandot County, Ohio's Civil War Soldiers, Grand Army of the Republic Posts, and associated memorials to the Wyandot County Genealogy Society in Upper Sandusky, Ohio on March 21.

On the morning of April 30, 2016, four Brothers participated in a project to straighten Civil War veterans grave markers in Patterson Cemetery and Price Cemetery, both located near the town of Patterson in Hardin County, Ohio. Brothers participating were Camp Commander Ronald Marvin, Secretary/Treasurer Brad Bailey, David Rish (PCC), and Harry Haggard. Markers were straightened in each cemetery and information about the project submitted to the Department of Ohio's Facebook page on May 2.

The Camp was represented by Brothers Colonel Thomas McBrayer and David Rish (PCC) who awarded a Sons of Union Veterans R.O.T.C. Medal to Kenton High School student Carly Krissinger during an awards program held on the evening of May 6.

In early May, the Camp submitted an application for the 2016 Outstanding Camp Award which we were notified later that that month that our Camp was approved for the award. This is a great honor to have bestowed upon the Camp and recognizes the hard work of all our Brothers in honoring and remembering our Civil War ancestors.

On May 16, the *Kenton Times* newspaper ran a front page article with a full color photograph of Camp Commander Ronald Marvin, Brother David Rish (PCC), and Brother Rob Pollack standing in front of the Cantwell Post's G.A.R. Soldier monument in Grove Cemetery. The article discussed the Jacob Parrott Camp, the Sons of Union Veterans of the Civil War, who we are, what we do, and why we do it. It also briefly mentioned that our Camp would once again be hosting the Department of Ohio Encampment on June 11 in Veterans Hall at the Hardin County Courthouse.

In preparation for the annual Memorial Day ceremony at Grove Cemetery in Kenton, Ohio, Brothers Raymond Petty and Camp Commander Ronald Marvin assisted the Hardin

County Veterans Service Office with planting flowers beside the grave markers of veterans buried in Grove Cemetery's three Veteran Circles. Members of the Camp placed flags on the graves of veterans in numerous cemeteries throughout Hardin County and were assisted by Kenton High School students participating in the school's J.R.O.T.C. program in placing over 2,000 flags on the graves of veterans in Grove Cemetery on May 25.

Several Brothers from the Jacob Parrot Camp participated in Kenton's annual Memorial Day program on May 30, 2016. These included David Rish (PCC) who served as the program Chairman and ceremony emcee, Camp Commander Ronald Marvin who served as Vice-Chairman, Brother Raymond Petty who served as Transportation Chairman. Patriotic Instruction Officer Vern Woodruff III (PCC) once again dressed in a Civil War uniform and read General John Logan's Order No. 11 before placing a wreath in honor of the Civil War veterans. Brother Ronald Marvin placed wreaths in honor of Spanish-American War veterans as well as Persian Gulf War veterans and Brother Colonel Thomas McBrayer placed a wreath in honor of all POWs & MIAs. Brother Marvin drove a truck in the parade which also carried Brothers Clayton Downey, Harry Haggard, and Dennis Koontz while Brother Woodruff carried our Camp flag and walked with his family dressed in Civil War era clothing in front of the vehicle.

Respectfully submitted by Jacob Parrott Camp 33 Camp Commander Ronald Marvin, Jr. on June 1, 2016.

HUFFMAN

CARTER #93

December 18th 2014

Brother Department Secretary,

I am writing to announce my intent to run for the office of Junior Vice Commander in Chief of the SUVCW during the Annual Encampment in Richmond. As it may be that you and I have never had the pleasure of a face to face introduction; please allow me to briefly tell you something of myself, my experience in the SUVCW, and what my qualifications are for the office of JVCinC.

I am originally from New York State. Following graduation from High School, I joined the United States Navy and served as an Operations Specialist for almost 24 years. I retired in 1995 at the rank of Master Chief Petty Officer [E-9] and began a second career in Public Education as a History teacher in Bedford County, Virginia where, I have worked for the last 20 years.

I have been a member of the SUVCW for fifteen (15) years and actively participating in my camp, department and at the national level of the organization for the last ten (10). I have served both my camp and department in all the elected officer positions except Treasurer / Secretary, and I have served at the national level as a member of the Americanism Committee, member of the Programs and Policies Committee, and as Chairman of the Marketing and Promotions Committee. Additionally, I have supported the Sons Veterans Reserve by serving as Adjutant for the Second Military District for two [2] years and as Commander of the Second Military District for four [4] years.

As evidence of my qualifications for the office of JVCinC, I offer the following: Over the past ten [10] years, I have dedicated myself to the causes of the SUVCW and worked diligently to support them financially and with my presence. I have been a delegate to nine out of the last ten national encampments and understand the interworking's of that body very well. I have attended numerous meetings of the Council of Administration and I have worked with the members of that body in my capacity as Chairman of the Marketing and Promotions Committee. I have been the commander of both a large multi-state department and the commander of a large multi-state SVR military district. I served as a member of the 2011 National Encampment host committee and I have successfully coordinated several monument projects, major ceremonies, and fund raising campaigns. In recognition of my service, I have been presented the SVR Meritorious Service Award Silver Star, SUVCW Charitable Foundations Silver Sentinel Award, the Department of the Chesapeake's Arthur Schlenker Award, and the Department of the Chesapeake Andrew Johnson Award.

In closing, I ask only that you forward my intentions and qualifications to your Department Officers and the brothers of your department in the hope that they might be better informed about me, as they review the candidates and make their choices regarding the support of a candidate. For those wishing to examine my complete letter of intent and resume; both documents have been posted on the National Website.
